

CAP's 2019 Graduation Gala

Sponsorship Opportunities

Born out of the desire to help youth from low-income households gain a college education without taking on crippling debt, CAP, the college success program of Making Waves Foundation, provides one-on-one coaching and need-based scholarships for low-income students throughout their entire college experience—working to help them graduate as quickly and with as little debt as possible.

This year is a historic year: the first class of high-school graduates from Making Waves Academy are graduating from college! Support this achievement through the following sponsorships:

Graduation Gala

Hotel Shattuck Plaza, Berkeley – June 28, 2019

Principal Sponsor: \$10,000

Lead Sponsor: \$5,000

Event Sponsor: \$2,500

All sponsors receive broad recognition through event signage and the program as well as complimentary tickets where your executives will sit with CAP graduates and engage in meaningful conversation about their inspirational journeys.

In addition to the recognition listed above, Principal Sponsors have the opportunity to have their logo on the print invitation and to speak at the event about their company's commitment to the community.

Your generous contribution showcases your commitment to the underserved youth in our community who are working tirelessly to achieve their dreams of a college degree. All sponsorships will support CAP's high-impact coaching and need-based scholarships.

For more information or to secure a sponsorship, please contact Vice President of External Relations Shannon Bowen at (510) 368-3626 or sbowen@making-waves.org.
